## PUBLIC SPEECH AND DISCUSSION FORUM

### Overcome Barriers to Success

Improve your public speaking skills! Every student will have a chance to visually present who they are and receive advice and recognition. Adults can share their views about barriers to Chinese American success.

Open to public, please register ASAP to secure your speaking spot at:

OCA-NJ is a state chapter of OCA, a 501(c)(3) national organization dedicated to advancing the social, political and economic well-being of Chinese & Asian Pacific Americans in the US. The Junior Board was established to: (1) leverage OCA's resources in helping youths grow in society; (2) assist OCA in promoting civic participation, education and leadership; (3) advance youth community building.
