OCA-New Jersey Chapter is a state chapter of OCA, a section 501(c)(3) national civil rights advocacy and educational organization dedicated to advancing the social, political and economic well-being of Americans of Chinese and Asian/Pacific Islander descent. To achieve these objectives, OCA is engaged in networking with its 50 chapters across the nation to develop leadership and community involvement. Our chapters and 50 organizational and college affiliates are establishing strong local programs in all parts of the country. Founded in 1973, as the Organization of Chinese Americans, OCA maintains its headquarters in Washington, D.C.
